

**PRODUCT OVERVIEW**

Includes grid support designed to support specified UDL. Ideal for the long term safe storage of 2 standard 205 litre drums.

Manufactured from medium density polyethylene this spill pallet has 4-way fork lift access, broad range chemical compatibility, a removable plastic mesh deck and complies with all the UK regulations relating to sump capacities.

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.

Backed by our 3 year guarantee

-  100% polyethylene for chemical compatability
